

National Plug-in Vehicle Initiative (NPVI) Member Referral Program

NPVI's strength is its Members. Refer a new NPVI member company and upgrade to the Steering Committee – at no additional charge!

For EDTA Members:

Current EDTA Members participating in the NPVI receive credit for bringing *new*, non-EDTA Members to the NPVI. If you do, you'll receive credit to upgrade to the Steering Committee – to chart the course of the NPVI.

For NPVI Associate Members *(non-EDTA Members)*

NPVI Members (who aren't EDTA Members) also receive credit for bringing other *new*, *non-EDTA* companies to the NPVI – an opportunity for to upgrade to the Steering Committee.

Please Complete the NPVI Member-to-Member Referral Form:
